MOOT PROPOSITION

Rajiv and Sunil are two best friends. They live in the city of Verona which is situated in the state of Hansu which in turn, falls under the jurisdiction of the Government of Federal republic of Hindia. Sunayna -their college friend was in an intimate relationship with both of them and neither was aware of relationship of Sunayna with the other. On 2nd November, 2018 , Rajiv accidentally reads an sms conversation between Sunayna and Sunil that clearly shows a physical relationship between them and confronts Sunayna about it.

Sunayna confesses everything ; she re-assirts her love to Rajiv and promises to leave Sunil. But in the very same week on 6th November, Rajiv goes to Sunayna's apartment and sees her in a compromising position with Sunil and had a rough argument . Angry and upset Rajiv plans to confront Sunil separately and intended to make him feel sorry for being involved in relationship with Sunayna, he plans something mischievious.

On the morning of 9th November, Rajiv calls up Sunil and asks to meet him at Zembro Bar for a weekend party. All the while Rajiv plans to get Sunil drunk and subsequently physically assault him. In night of the same day, while they are at the Bar, Rajiv asked Sunil to have a drink with him. Sunil rejects offer of Rajiv. So, Rajiv challenged Sunil to drink in one go a large mug of alcohlic cocktail that he ordered for Sunil , while Rajiv himself had a non-alcoholic drink.

Sunil finishes the entire glass and only then realizes that there was alcohol in the drink which had been purposely mixed by Rajiv. Due to this rapid intake of large amount of alcohol, Sunil gets deeply intoxicated and decides to go home. Rajiv feels bad in deceiving his friend and realizes that Rohan was heavily intoxicated and decides to drive him back home. On their way back to home, a very drunk Sunil tells Rajiv that he loves Sunayna. Listening to this Rajiv feels very sad and just as they are about to reach Sunil's home , Sunayna calls up Rajiv and breaks up her affair with him telling that she doesn't love either.

Rajiv becomes agitated and tells the conversation that he had with Sunayna to Sunil. At Sunil's home, Rajiv started drinking heavily to drown his sorrows and gets very much drunk. He also encourages already drunk Sunil to drink with him. Finally when Rajiv and Sunil were drinking and sitting together Rajiv starts crying and says that he doesn't want to live anymore and he thought that Sunayna was the women he was going to marry. Sunil tells him that he should do what he feels is right. Rajiv goes inside and gets a rope to hang him from the fan. Sunil doesn't dissuade him and helps him tie the rope to the fan. He then tells Sunil that he want someone to push the stool while he stands on it. Sunil denies and refused to do so.

While they were arguing , the drunken Sunil in his bid to get escaped from Rajiv got hit back to the stool upon which Rajiv was standing. Consequently, the rope tied tightly in his neck on one end and with fan on other, gets pushed accidentally. Thus Rajiv gets hanged and dies. After drinking alcohol throughout the night , Sunil gets tired and falls unconscious.

On 10th November, the milkman after ringing the bell continuously and when no one answers , calls the building security guard.
The security guard remembers intoxicated Sunil accompanied by a friend entering the apartment. He decides to call the building secretary and they all choose to break open the door as they were worried about Sunil and his companion. Finally, after breaking the door open, they found Rajiv hanging from the bed room ceiling fan and Sunil laying unconscious on the floor. The Building secretary immediately calls the police. The police informs Rajiv's family and takes Sunil in custody for questioning and further interrogation.

The post mortem report states that Rajiv died of asphyxiation as a result of the hanging and also there was a large amount of alcohol present in his blood. Rajiv's family blames Sunil for abetting and aiding Rajiv to commit suicide as they both remained in love with same girl and on 14th November, 2018, they lodged FIR with the local police station for abetment of Rajiv by Sunil to commit suicide. After police investigation, Charges were framed against Sunil for abetment to commit suicide under section 306 of the Penal Code of Hindia and was subsequently arrested.

The case was heard before Session's Court at Verona and charges were framed on 15th December. Sunil applied for bail but was unable to attain it as the next hearing was due only on re-opening of the Court after its winter break. After consulting his advocate and on re-opening of the courts on 20th January, 2018, Sunil files a petition in the High Court of Hansu for quashing the FIR under section 482 of the Code of Criminal Procedure. Also, the Parliament of Hindia has passed an amendment to the Hindian Penal Code that decriminalizes attempt to commit suicide which was earlier an offence under section 309 of the said Act.

Now, Sunil has preferred a petition to the Hansu High Court stating that since suicide is no more an offence, its abetment should also not be considered as an offence; adding also that it violated his fundamental right to life and liberty that is guaranteed by the Constitution of Hindia. Consequently, his petition for quashing proceedings and challenging the validity of section 306 of the Hindia Penal Code are scheduled for hearing before the High Court of Hansu.

Now Parties are required to frame issues and prepare arguments for both sides of the petitioner and the respondent.
The Laws, bye-laws and Institutions of Hindia are in pari materia to that of Union of India except expressly mentioned otherwise.

Issues:

1. Whether the provision under Section 306 of the Hindia Penal Code stands justifiable for the judicial scrutiny and is amenable to be declared invalid as the Law criminalizing commitment of offence has already been amended?
2. Whether the amended Law that decriminalizes attempt to commit Suicide holds merit to be testified in terms of constitutional validity?
3. Whether this Court can declare the proceedings before the Session's Court as have been quashed?

Disclaimer: The facts and circumstances in this moot court problem are purely fictional and do not intended to or attempt to resemble any incident or any person living or dead. Any resemblance to any incident or person , if any, is not intended and is merely co-incidental.
