(Affiliated to Dr. Bhimrao Ambedkar Law University, Jaipur)

IN COLLABORATION WITH

Suraj Sansthan, Jaipur

Cordially invites academicians, researchers, legal practitioners, policymakers, civil society organisations and students.

ABOUT US

Government Law College, Alwar

Government Law College, Alwar is a premier institution of legal education in Eastern Rajasthan. The roots of legal education in Alwar date back to 1970 when law classes were first started under R.R. College. The College started functioning as an independent institution in 2005–06 after its separation from Babu Shobha Ram Government Arts College, Alwar. It is affiliated to Dr. Bhimrao Ambedkar Law University, Jaipur and approved by the Bar Council of India. The College offers a three-year LL.B. programme, two-year LL.M. programme and a one-year Post Graduate Diploma in Labour Law. Accredited with B+ grade by NAAC, the institution provides a vibrant academic environment with a focus on teaching, research, legal aid and community outreach. The College is committed to nurturing competent, ethical and socially responsible legal professionals who are firmly grounded in constitutional values, human rights and the ideals of justice, liberty, equality and fraternity. Over the years, it has produced several distinguished alumni who have excelled in the Bar, Bench, academia, administration and public life.

Suraj Sansthan, Jaipur

Suraj Sansthan, Jaipur is a registered society established in the year 2002. Since its inception, the Sansthan has been actively engaged in the fields of Human Rights, Education, Rural Development, Social Empowerment and awareness generation. It has organised a series of national-level seminars and workshops on human rights and related socio-legal issues, and has contributed significantly to research, advocacy and capacity-building activities. The organisation continues to work towards the protection and promotion of human rights, especially of disadvantaged and vulnerable sections of society, in collaboration with academic institutions, civil society and government agencies.

ABOUT THE CONFERENCE

As India advances towards the visionary goal of Viksit Bharat @2047 — a developed, inclusive, prosperous and equitable nation — the protection, promotion and realisation of human rights stand as a foundational and non-negotiable pillar. Economic growth, technological advancement and infrastructure development must necessarily be accompanied by the realisation of dignity, equality, justice, liberty and freedom for every citizen, particularly the marginalised and vulnerable sections of society. Human rights are not merely legal entitlements; they are the very essence of a just, humane and progressive society. This 13th International Conference on "Human Rights in the Vision of Viksit Bharat@2047: Emerging Opportunities, Global Challenges and the Way Forward in The Era of Artificial Intelligence" seeks to provide a vibrant intellectual platform for academicians, jurists, judges, policymakers, researchers, civil society organisations, practitioners and students from India and abroad. The Conference aims to critically examine the opportunities that the Viksit Bharat vision offers for strengthening the human rights framework, the contemporary challenges that impede the full realisation of rights, and the possible pathways and policy measures that can help India move towards a truly rights-based and inclusive developmental trajectory aligned with constitutional values and international human rights standards.

SUB-THEMES

Original research papers, conceptual papers and case studies are invited on (but not limited to) the following sub-themes :-

1. **Constitutional Vision and Human Rights for Viksit Bharat**
   Role of Fundamental Rights, Directive Principles of State Policy, constitutional morality and judicial interpretation in nation-building.

2. **Socio-Economic Rights and Inclusive Development**
   Right to education, health, food, work, housing and social security; poverty alleviation and equitable growth.

3. **Rights of Marginalised and Vulnerable Groups**
   Rights of Scheduled Castes, Scheduled Tribes, minorities, persons with disabilities, elderly, children and LGBTQ+ communities.

4. **Gender Justice, Equality and Empowerment**
   Women's rights, gender-based violence, equal opportunity, political participation and intersectional approaches.

5. **Digital Rights, Privacy and Emerging Technologies**
   Data protection, digital access, artificial intelligence, surveillance technologies and tech-related human rights challenges.

6. **Environmental Rights and Climate Justice**
   Right to clean environment, climate change litigation, sustainable development and inter-generational equity.

7. **Access to Justice and Legal Empowerment**
   Judicial reforms, legal aid, alternative dispute resolution, prison reforms and victim-centric justice delivery.

8. **International Human Rights Law and India's Global Role**
   UN mechanisms, treaty obligations, Universal Periodic Review, soft power and India's contribution to the global human rights discourse.

9. **Human Rights Education, Media and Civil Society**
   Integrating human rights in curricula, role of media, public awareness and capacity building of civil society organisations.

10. **Emerging Challenges and the Way Forward**
    New threats, policy innovations and a comprehensive roadmap for a rights-based Viksit Bharat@2047.

Note: Papers on related themes relevant to the conference title are also welcome.
