

About HSNC Board and Its Constituent Institutions

Hyderabad (Sind) National Collegiate Board (popularly known as HSNC Board) has been a pioneer in the field of higher education. After the partition, Late Principal K.M. Kundnani appreciated the need of his teaching fraternity and the community and initiated efforts for starting a college in Mumbai. He received active support and encouragement from Barrister Hotchand Gopaldas Advani. Both of them together founded the Hyderabad (Sind) National Collegiate Board in 1949 at Mumbai. Barrister H.G. Advani was the founder President and Principal K. M. Kundnani, was the founder Secretary. This was followed by a chain of educational institutions belonging to various faculties such as Arts, Commerce, Science, Education, Law, Engineering, Technology, Paramedical and Management.

The Vision of H.S.N.C Board is “World class, comparable to the best of the institutions in India and abroad”.

About G. J. Advani Law College

The Board established G. J. Advani Law College in the year 1977 which is permanently affiliated to University of Mumbai and has been granted UGC recognition under Section 2 (f) and 12 (B) and also recognized by the Bar Council of India, New Delhi.

The College is named after one of the leading advocates of Sind, Late Shri. Gopaldas Jhamatmal Advani, who was a scholar and writer of book titled as ‘Arbitration and Specific Relief Act’. We are proud to say that the College has established its reputation for high standard of teaching in law. We are striving to make this College as centre of excellence in the field of Legal Education by adopting modern teaching and training techniques.

‘The Week’, a weekly magazine (published on 20th June, 2010) listed the College amongst the Most Preferred Law Colleges in India (West Zone). The ‘India Today’, a reputed magazine, in its survey (published in July 2006) ranked the College amongst the Top 20 Law Colleges in India.

G. J. Advani Law College is the first Law College under University of Mumbai to organise National Seminar.
