## ABOUT THE INSTITUTE

Ideal Institute of Management and Technology & School of Law was established in 1999 under the aegis of New Millennium Education Society. The society came into being with a clear objective to establish an institution of eminence in the fields of professional, technical and management education in accordance with the policies and the regulations of the Government. The name of the society in itself is in full tune with the requirements of education in new millennium i.e. "An education that ensures a career for the individual to fulfill the needs of the society as well as meet the demands of the nation". Beginning from a very modest start, the Institute has now acquired a commendable position as a premier educational institution imparting education in the fields of law, business administration and education programs of GGS Indraprastha University, Delhi.

## OUR FOUNDER

Sh. Rakesh Aggarwal, our founder, was a person of great vision and wisdom and realized his objectives in educating the society – a divine performance. To effectuate this pious "Karma", He established this Institution and put forth his vision by providing a platform to impart education for all. His personality was multi faceted spreading in political and socio-cultural dimensions. His object was not confined to establish the educational Institutions, but went beyond those horizons culminating into real world, which was seen in the appreciation and various honors given to him on numerous occasions from various organizations. We all take inspiration from the works done by him for the Society in his lifetime.

## YOUTH PARLIAMENT

The Youth Parliament is a platform for the youth to make an impact and highlight the need of young minds in the governance of the country. It is a platform to inculcate leadership qualities in them and to experience the law making process of our country, sharpen their skills of debating, negotiating and to broaden their mindset. It will inspire them to highlight their new ideas and **"Change The Face Of It."**

This Youth Parliament focuses on the importance of young minds working on stagnant laws and suggesting a change to rotate the wheel. **Youth Parliament Event – 2017** is an initiative of Ideal Institute of Management and Technology & School of Law and its highly motivated and promising students from School of Law. This Youth Parliament will consist of a **Lok Sabha Committee** and a **AIPPM Committee**, which will provide an efficient platform for young parliamentarians to discuss issues of National Importance.
