Moot Court Problem

1. Saleem (complainant), a vegetable vendor, living with his family consisting of his wife and three children in Village Railmajra District S.B.S. Nagar. Saleem's sister Fatima was residing with her husband Bashir Khan and daughter Sameena (deceased) in Uttar Pradesh.

2. Fatima died in 2004 and her husband Bashir Khan left the custody of her daughter Sameena aged about 2 years with Complainant. The Complainant was looking after Sameena along with his own children. Sameena used to go to learn stitching for the last 3-4 months before the occurrence at about 10-00/11-00 a.m., along with other female children of the area of the residence of the complainant.

3. On 23-9-2015, Noori daughter of Naushad took away Sameena from House. Then Sameena returned after a short interval. Again at about 5.15 pm, Noori took Sameena with her on the pretext of defecating where after Sameena did not return. Despite search she could not be found. On 29.9.2015 at about 6 pm dead body of Sameena was found in the bushes near cremation ground of the village by Noor Jahan wife of the complainant, who was informed by a 12 year old boy Dilbar from the neighbourhood. On receipt of information from his wife, the complainant along with his brother Rehman and other neighbours went to the said place. Dead body of Sameena was lying there. There were injury marks around her neck. Jute thread was also there around her neck. One of her foot was found tied with dupatta. She was naked from lower part. Her garment was lying at a distance. Blood was also scattered there. Slippers of the deceased were also found at some distance. One Black colour Male Slipper was also found there. From Circumstances observed by the complainant it seemed that Sameena was killed and then her dead body was dragged into bushes. After recording the statement of Saleem, FIR was registered under Section 302 IPC. Inquest report about the condition of the dead body of Sameena was prepared. Dead body was dispatched to Civil Hospital, S.B.S. Nagar for post-mortem examination. Post-mortem report revealed that death resulted due to neck injury and possibility of rape cannot be ruled out before death.

4. On 26.9.2015, Sadiq Hussain made statement to the police that, on the day of occurrence he over heard one Abdul Khan talking with his companion, while sitting at dhaba, that he had tried to commit rape on the person of one female child but when she started crying, he killed her.

5. On 28.9.2015, Abdul Khan made extra judicial confession before Sukhwinder Singh Namberdar that on 23.9.2015 Sameena Niece of Saleem was found going into the jungle to defecate and on seeing her, he became furious in sexual lust and dragged her into the bushes. When tried to commit rape on her person by putting off her cloth, she resisted and raised cries, due to which he took out jute thread from his pocket and tied it around her neck and strangled her to death. Thereafter, he dragged her dead body into the bushes and after leaving it there he ran away. As the police was behind him and therefore, he should help him for his production before the police so as to avoid his torture at the hands of the Police. Sukhwinder Singh Namberdar produced the accused before SHO. Accused Abdul Khan was nominated in the case and was formally arrested.

6. On 28.9.2015, accused suffered disclosure statement in the presence of Kareem neighbour of the complainant in which he stated that he had kept concealed blood stained knife into the bushes near the place of occurrence and could get the same recovered. On such disclosure blood stained knife was recovered and was taken into possession after putting it into a sealed parcel.

7. On 30.9.2015, accused again suffered disclosure statement in presence of Shabir and Ahmed (both resident of village Railmajra) that he had concealed his blood stained clothes and jute thread in the bushes near old Mosque from where he got recovered his blood stained khaki colour jean pant, green colour shirt having blue strips and jute thread which were taken into possession after putting them into separate sealed parcels.

8. 27-9-2015, Dilber made a statement that on 25-9-2015 at about 4.30 pm he was returning to his house from market. Present accused Abdul Khan is also resident of his area. He met the accused on the way near cremation ground. He heard some noise from the bushes near cremation ground and rushed to the bushes and saw sameena lying in the pool of blood. He got frightened and informed about this incident to Noor Jahan, aunt of Sameena

9. After Commitment of the case to the Court of Session, Charge under Sections 302, 376-A IPC read with Section 4 and 18 of the Protection of Children from Sexual Offences Act, 2012 was framed against the accused to which he pleaded not guilty and claimed trial.

10. During trial prosecution produce PW Saleem, PW1 Sadiq Hussain, PW2 Sukhwinder Singh, PW3 Kareem, PW4 Shabir, PW5, Ahmed, PW6 Dilber. All corroborated their statement given before police. After closure of the prosecution evidence, statement of accused under section 313 Cr.P.C. was recorded putting the entire incriminating evidence to him, which has emerged on record from the side of the prosecution. The accused has alleged false implication. Version unfolded by the accused was that he has been falsely involved in this case as it was unsolved death case of a child, Father-in-law of PW Sadiq Hussain and the father of the accused are real brothers. They have property dispute at their native place and due to this all private witnesses have made a plan to involve him in this case. The accused has not led any evidence in defence.

11. After hearing public prosecutor, learned defence counsel and have also gone through the prosecution evidence on record, the trial court observed that all the links to connect the accused with the crime are missing. The circumstantial evidence projected against the accused is not of a stature to rule out any other hypothesis except that the crime was committed by him. The circumstantial evidence of the prosecution is not consistent with the guilt of the accused. Therefore, the court held that the prosecution has failed to prove the guilt of the accused beyond reasonable doubt and by giving the benefit of doubt the accused was acquitted of the charge framed against him.

12. Aggrieved by the Judgement of acquittal passed by the learned trial judge, the prosecution have preferred the present appeal. Argue on behalf or against the parties.

Statement of Issues:

1. Whether the respondent/accused can be convicted under section 302 of IPC?
2. Whether the respondent/accused can be convicted under section 376-A IPC read with Sections 4 and 18 of Protection of Children from Sexual Offences Act, 2012?

3. Whether the circumstantial evidence projected against the accused form a chain of evidence sufficient to prove the guilt of the accused?
4. Whether the trial court was justified to set free the accused from all the charges levelled against him by the prosecution?
