Moot Court Society, CLS-GIBS presents 1st National Moot Court Competition

22nd-23rd February 2019

Email: nmc@gitarattan.edu.in

INTRODUCTION

Mooting is one of the most essential skills for any law professional. Moot courts or mock trials are usually based on hypothetical cases, involving emerging or unsettled areas of law. Law students, who participate in these activities, are given opportunity to develop their research, legal writing and oral advocacy skills in a mock courtroom setting. Additionally, moot court presentation inculcates professional legal etiquettes in the students which equip them to adapt with court room practices.

A Moot Court Competition provides a platform to bring in different perspectives of the same case before the judges and audience. Moot Court Competition, therefore, is the process where a student can analyse a given problem with its proper legal background, make research about its historical supportive articulations and demonstrate the same before a panel of judges after proper arguments in ethical and professional manner. It brings the Law graduates close to real courtroom environment where they are called upon to solve the problems in a short span of time.

1st National Moot Court Competition is an annual National level Competition organised by the Moot Court Society, Centre for Legal Studies, Gitarattan International Business School. It brings together students from different Law schools of the country to compete in fast-paced and challenging professional environment. It aims at giving exposure to law students on important issues arising in contemporary socio-economic and legal environment.

OBJECTIVE

- To provide a platform for law students across the country to sharpen their analytical and argument skills which focus on understanding, historical research, analytical ability, logical thinking and presentation & judgement.
