

JRTC Intern

SKILLS REQUIRED TO BE A SUCCESSFUL LAW- PROFESSIONAL

ABOUT THE ORGANIZATION

JRTC Intern is a subsidiary of JRTC Consultancy which is incorporated as a Private Limited Company and is recognized as a startup by the Department of Industrial Policy and Promotions, Ministry of Commerce & Industry, Government of India

JRTC aims to create a single platform wherein the students as well as the firms can have a single source of information and both the parties will not have to worry about internships, since it is an established fact that how much stress a law aspirant has to bear when it comes to finding a good internship. Similarly, the law firms also have to scratch their heads and incur many resources when they look for good interns. JRTC intends to create a win-win scenario for both the students as well as firms by its initiative through GENERAL LAW INTERNSHIPS TEST (GLIT).

This initiative is supported and acknowledged by the former judge of the Supreme Court of India Hon'ble Mr. Justice Kurian Joseph, Additional Solicitor General of India Shri Satya Pal Jain, Former Union Minister and Senior Advocate Mr. Salman Khurshid, Former Attorney General of India Shri Soli Sorabjee, Former Union Minister Shri Shanti Bhushan and various retired judges and professionals of the legal sector.

CONCEPT NOTE

“The leading rule for the lawyer, as for the man of every other calling, is diligence.” Let your child follow this simple rule and dedicate herself to this career. After all, there is no better feeling for a parent than to see a child stand up for justice.

~ Abraham Lincoln, former President of the United States and a lawyer

The proposed one-day National Seminar on “LEGAL SKILLS REQUIRED TO BE A SUCCESSFUL LAW PROFESSIONAL” is to be organized by JRTC Intern in association with iPleaders. The seminar is intended to impart and highlight the significance and importance of legal skills to become a successful law graduate.

Legal education is in fact a multi-disciplined, multi-use arena of education, which can highly develop the human resources and idealism needed to strengthen the legal system. A law graduate, an artifact of such education would be able to contribute to national advancement and social change in a much more constructive and better manner. Law is out looked not simply as an appliance of social control, but also as an instrument of social change.

Behind every successful case in the court of law is a successful lawyer(s). However, what makes a lawyer successful is definitely a big question? Is winning case(s) makes a lawyer successful? Alternatively, success of a lawyer can be determined by how much revenue he/she is generating. These all are the criteria to determine whether a lawyer is successful in serving his clients and the nation too. The foremost essential to determine the lawyers is successful or not is only possible through the legal skills he/she possess.

Being on the top of the success ladder is a lucrative concept. However, it is not reached until you have trained yourself and learnt everything that is required. Everybody wants to be successful. But how many exactly put

them into the fire to mold themselves to reach there. The number of successful people itself is a testimony to the statement above. Success demands consistent efforts and constant perseverance. It most importantly demands planning. Without plan, your endeavors are destined to fail.

Legal skills are generally a deserted area in most of the law schools. The need for fostering a culture of skills development in the legal discipline is impending. Recent times have witnessed a lack of skill and competence in this area leading to the deterioration in quality of the work.

Legal Skills are of utmost importance given that it is most important in policy decisions, practicing in the court of law defending a case, judicial pronouncements and other reforms. The lawyers using research for various purposes realize that they are lacking in skills especially at advanced levels of collection and analysis of data.

Through this Seminar, one can acquire and learn one of the most essentials key that a legal professional must have - Skill Sets. This seminar will edify you the critical rules and principles of developing the legal skills required to become successful law graduates, hence, a successful law professional.

The discussion pertaining to Legal Skills required to be a successful Law-Professional in the seminar shall be four folded viz.

1. Civil
2. Corporate
3. Criminal
4. Judiciary (Including PIL)
