

ABOUT THE ORGANISATION

Human First is a young and a dynamic organisation which tends to serve the 'Humankind' in all possible ways. Even though it is young and new, it is still cynosure and determined to carry on the activities of peace and tranquillity.

The focal point of Human First is to succour basic needs to the people. The organisation will try providing financial assistance to the deprived and secluded class or people. We will try to uplift the position of women, children and the disabled people.

ABOUT THE COMPETITION

Humanfirst Universal Welfare Foundation is organising an essay writing competition for the purpose of fundraising. This competition is set up to encourage budding writers from all parts of India and provide them with professional support in becoming successful.
