With his deep desire to share knowledge and maximum numbers leads Zia Ansari was focused to start **LRC (Legal Research Cell)** as a separate wing of **Zia Judicials**. ZJ-LRC aims to share knowledge through organizing seminars, workshops, conferences, talk shows. No one should be left behind; therefore ZJ-LRC aims to arrange various workshops, seminars, conferences, talk shows and many more across the country so that the existing heroes of law fraternity can meet and share their experiences with the upcoming budding stars of law. ZJ-LRC aims to serve society by contributing to its democratic duty towards imparting knowledge.
