January 10th, 2020

ICFAI Law School, ICFAI University, Tripura

CONCEPT NOTE

ICFAI Law School, ICFAI University, Tripura takes immense pleasure to present National Seminar on Criminal Justice Administration: Analysis & Appreciation.

The Present age in academics and research may be best expressed as the age of interdisciplinary studies and therefore, be it teaching or research an isolated approach is simply unthinkable. This includes the discussion of the scholastic work for problem solving of the present social issues like the ever challenging prevention of crime and maintenance of justice in the country. Since crime and society are closely interrelated making criminal justice of any society dependent on the efficient working of the Judicial System. Another important essence of criminal law is study victimisation and providing timely justice as opposed to today's delayed system.

Hence, it is an important issue for eminent scholars, academicians, practitioners, lawyers and students and expert of related fields to come forward and contribute their scholarly work. The objective of this seminar is to drag attention towards such aspects of Criminal Law through a research based platform and to provide means for melioration.

This One Day National Seminar is being organised to create a platform of wide conversation, providing an opportunity to the Students, Academicians & Law Professionals to put forward their research and share their knowledge on wide range of topics relating to Criminal Justice.
