PIONEER INCUBATOR

CAREER POINT UNIVERSITY

Hamirpur-176041

ABOUT THE UNIVERSITY:

Career point University Hamirpur was established by the Government of Himachal Pradesh vide Act No. 12 of 2012 under Sec2 (f) of the UGC Act 1956. The University is empowered by the UGC, a statutory body of Government of India, for the award of degree under Section 22 of the UGC Act 1956. The University has about 1500 students and over 150 teaching/ supporting staff comprising of renowned scientists, academicians and corporate leaders.

ABOUT THE WORKSHOP:

The Intellectual Property Rights are developed by extensive use of intellect and are protected not only by ethics but also by law. They provide name, fame and commercial benefit to the creator. The creativity of human mind is boundless. But many a times it is not protected. This happens generally due to ignorance of the creator. At times even the person using someone else's intellectual property does not know that he has in fact infringed someone's rights.

In India laws have been enacted to protect some of the key intellectual

properties like inventions, trademarks, artistic and literary works. However we still lack legislations to regulate areas like traditional knowledge. The IPR Policy was revised in 2016.

Out of the many types of intellectual property, researchers across all disciplines primarily deal with patents, copyrights and trademarks. With a view to create awareness among different stakeholders, Career Point University is organizing a workshop on IPRs.

OBJECTIVES:

The workshop is aimed to create awareness about various components of IPR among the Faculty Members, Supervisors, Co-Supervisors, Researcher Scholars and Students. The key areas of the workshop are:

- * Meaning, Nature, Scope and Importance of Intellectual Property
- * Overview of patent law
- * Patentability criteria
- * Copyright and Plagiarism
- * New Dimensions in Trademarks
- * Infringement of Intellectual Property Rights
