Transcendence and continuity, hierarchy and collectivism, the characteristic elements of our thousand year old 'tradition', are the fundamentals of our socio-political psyche. Youth Parliament Society of the college is an innovative platform to hone the public speaking and argumentative skills of the students by discussing matters that concern the youth of our nation. We, the future custodians of this rich heritage, living in this modern age realize to the fullest extent the need for imbibing the modern values both political as well as social. The formation of Youth Parliament is an earnest endeavour to inculcate the essentials of liberty, equality and fraternity in ourselves and the youth in general. To fulfil such objectives, Youth Parliament Society of Law College Dehradun initiated a platform to discuss forums that simulate real Indian Governmental Bodies and discuss relevant issues within their ambit.
