## **About Think India**

Think India is a pan-India organization established with the aim to bring together the best talent of the country and to infuse in them a 'Nation-First' attitude. The organization seeks to develop a solution-based thinking and inspire young India to serve the society. It strives to promote social harmony, fulfil needs of India, support and motivate, activity in campuses, upliftment of rural India, support gender justice and support national interest. It also manifests progressive collaborations between the young, creative minds from national institutes like IITs, IIMs, NLUs and others.

## **About National Article Writing Competition**

Think India National Article Writing Competition has been organized for past 12 editions successfully every month. It is one of Think India's flagship initiatives to further its goal of infusing 'Nation-First' thinking in the young talent of this nation and enabling this talent to positively contribute towards the growth and development of India. More than 5,000 students, academicians and research scholars across the country have participated in the previous edition of the competition.
