Our primary focus is on fostering global exposure and intensive training by internalizing the core values of law and ethics. Our philosophy is that creative learning in a friendly and healthy academic atmosphere brings out the best in an individual. We have been awarded with the title of the best emerging law school of the country in the past by various renowned knowledge magazines and web portals.

ABOUT APCAM

APCAM (Asia Pacific Centre for Arbitration & Mediation) is an international ADR centre formed jointly by about ten arbitration and mediation centres from the Asia-Pacific countries, which host APCAM centres in their respective countries. APCAM caters the requirement of International and cross-border business disputes, and helps the business community to resolve their international commercial and business disputes by mediation or arbitration under a single set of Mediation and Arbitration Rules and with a uniform fee structure in all the member countries to minimize the hassle of adhering to different laws or fees of different institutions.

APCAM also empanels a common panel of international mediators and arbitrators, with uniform accreditation system from all the countries, which would help the parties to experience uniform high-standard practice, bringing credibility and professionalism of mediators and arbitrators. Setting the world of dispute resolution in a different path!

The administration of APCAM is done by an independent Governing Board comprising of Nominee Board members from each constituent institutions, who are some of the best arbitrators, mediators or ADR professionals from the Asia-Pacific region. The Board is also supported by team of experienced lawyers, ADR professionals and academicians from diverse jurisdictions, under different Committees. The participation of such experts provides APCAM with international expertise and insight into developments in ADR practice worldwide.

ABOUT IIAM

ABOUT THE CENTRE

The Centre for International Commercial Arbitration and Alternate Dispute Resolution Jagran Lakecity University, Bhopal aims to establish a deliberation forum among students and professionals to understand the nuances and dynamics of the field of Alternate Dispute Resolution. The exponentially growing field of ADR requires lawyers of today's generation to understand the needs of their client and efficacy of systems resorted outside conventional litigation.

To inculcate a certain amount of skill-set among students about to enter the dynamic world of law, the Centre regularly brings forward competitions and discussion forums with experts of the field. The focus is to bridge the gap amongst working professionals, legal experts, and students and envisage a community as a whole. With our eyes immovably set on the future, the Centre for International Commercial Arbitration and Alternate Dispute Resolution is set to explore all the dimensions related to this field of legal practice.

ABOUT THE WORKSHOP

'Landscape of Mediation: Pathways and Pattern' is a two-day workshop which will primarily focus upon Mediation and nuances of Negotiation. The workshop aims to draw a connection between the complexities of the procedure and the efficacy of the result it aims to attain. Mediation and Negotiation techniques are one of the most basic facets of a legal professional's modus operandi. The workshop will be chaired by Ms. Iram Majid, Director of IIAM and Executive Director of APCAM and Ms. Delcy Lagones de Anglim, Member APCAM & Director ADRC, Australia.

This workshop is open to students, professors and professionals. Through this workshop, we aim to bring to you a single platform where intricacies of the procedure can be understood and questions surrounding this process be answered. In the span of two days, the workshop would discuss the growing trend of mediation and its importance, both for the litigant/client and the counsel. After that, various prospects related to approaching the mediation method would be brought to light.

The workshop shall also address the typical stages of mediation, required negotiation skill set on the part of the counsel, principles involved and shall also include a role play of the session to better acquaint the participants with the methodology. We look forward to engaging in exhaustive legal dialogue revolving around this process, and to equip the upcoming generation of lawyers to better deliver in the field.
