CONFERENCE BACKGROUND

The Geeta Institute of Law is organizing a Conference on the topic “**CRIMINAL JUSTICE SYSTEM IN INDIA: AN INITIATIVE STEP TOWARDS EXIGENCY**” and proudly invites keynote speaker. The conference aims to provide a platform for discussion on recent initiative taken in criminal justice system in India.

Crimes are universal phenomena, which have the capacity of destabilizing the equilibrium of the society. Criminal wrongs cause irreparable damage to an individual and to the society at large. As the society is developing, criminal acts are also emerging with new forms. Apart from the traditional crimes, new types of criminal conducts have been experienced by the victims. There is a steep rise of incidents of crimes against women such as cybercrimes, sexual harassment at workplace, acid attacks and rapes in recent years and at the same time crimes against women are also increasing.

India is known for its justice since times immemorial. Judiciary is independent and the penal philosophy in India has accepted the concept of prevention of crime and rehabilitation of criminals, which have been reiterated by many judgments of the Supreme Court. It is the State which undertakes the responsibility to prosecute and punish the offenders and by treating the victims as mere witness. Keeping in view the fundamental and human rights of the citizens, the Indian criminal laws were amended in 2013 and 2015. In view of the recent amendments to criminal laws, The Geeta Institute of Law, is conducting a conference, to discuss the importance and impact of the amendments made to the criminal laws by eminent judges, advocates, law teachers, law experts, and NGOs. This seminar is going to benefit the students of law, law teachers, police personnel and also the common man. This conference will provide an excellent opportunity for student and research scholars alike to keep abreast of recent development, raise awareness of practices that ameliorates the working of existing social and legal frameworks and help them for sharing their ideas and there opinion on criminal justice system in India.
