Warm Greetings,

All in all, the college strives to provide a platform to the students to imbibe the pragmatic skills of law.

The institution, jointly with the RANKA Public Charitable Trust, has been organizing the RANKA National Moot Court Competition since 2011. The objective of this moot court competition is to give exposure to students pursuing law in the environment of court system in India and to hone their advocacy skills and to provide training in doing cutting edge research, presenting ground breaking arguments and contributing to the development of jurisprudence in concerned area of law.

The moot court proposition for the 9<sup>th</sup> RANKA national moot court competition lays stress on the fundamental and constitutional rights. It focuses specifically on the right to privacy and personal information. The proposition delves upon the prospects of unique digital identification system and schemes for the same.
