ABOUT INDIAN INSTITUTE OF LEGAL STUDIES

The Indian Institute of Legal Studies situated at the foothills of the Himalayas in the Terai-Dooars confluence bestowing it with natural landscape, sharing boundaries with the SAARC nations. The Indian Institute of Legal Studies is affiliated to the University of North Bengal and is approved by the Bar Council of India and recognized under Sections 2(f) & 12-B of the University Grants Commission Act, 1956. The Institute is accredited by the National Assessment and Accreditation Council (NAAC). IILS offers law programs for both 5 years integrated courses in B.A. LL. B. (Hons.), B.Com. LL.B. (Hons.) and B.B.A. LL.B. (Hons.) and 3 years LL.B. It also offers 2 years LL.M. program and 2 years Master's program in Public Administration and Governance.

The Indian Institute of Legal Studies acts as a transformer or rather a catalyst in Socio-Economic-Legal transformation and through its research-based education aims at establishing law-abiding citizens and thereby helps shape the quality of 'Rule of Law' in the society. IILS always promotes the academic culture and proper research environment by creating greater opportunity for faculty and students to undertake original and serious research on identifiable issues relating to law and justice that affects the Indian society which in turn serves as a facilitator to the efficient and effective administration of justice.

Such aims can be fulfilled by comparative research and institutional partnership on faculty and student exchange basis and methods which shall be mutually beneficial. In this context, Indian institute of Legal Studies takes this opportunity in organizing National Webinar on National Education Policy 2020 – Issues and Challenges, to be held on 7th February, 2021.

THEME OF WEBINAR

With the launch of NEP new paradigms in higher education have now emerged and with effective implementation of the NEP-2020, India aims to become a global study destination providing premium education at affordable costs. NEP covers significant aspects like holistic, multidisciplinary and futuristic education, quality research, and equitable use of technology for better reach in education. This national webinar on *National Education Policy 2020 – Issues and Challenges* intends to discuss the expectations of the policy makers with regard to the role of heads of higher education and teachers for the attainment of the objectives of the new education policy including teaching and learning. Hence, through this webinar we would like to provide a holistic view of the reforms in the Indian education system by focusing on:

- The NEP 2020 and the role of the educators in the legal backdrop.
- Inequality in India's education
- Everyone's role in shaping the Indian legal education system.

OBJECTIVE AND RATIONALE OF THE NATIONAL WEBINAR

The webinar will discuss the existing crisis of exclusion and inequality in our education system and how the National Education Policy tries to tackle it, while also discussing the issues that it fails to encompass. The objects and rationale for this seminar are threefold:

Firstly, the sharing of domain knowledge and formulation of skill-oriented education and specialization in a particular field.

Secondly, setting up of gender inclusion fund and also special education zone for disadvantaged region and group.

Thirdly, it aims and sets the vision of developing an equitable and vibrant knowledgeable society by providing quality education to all.
