

THE GALTER'S DOCTRINE

The Signature

When Aristotle The Great defines Law
A sort of Order,
A comprehensive framework of Rules,
It regulates, enhances & constitutes a
Tool!

The ideal Synthesis of
Natural & Technical Production is
TECHNOLOGY,
Is Great Man's Philosophy,
That brings us to Sublimity!!

Law & Technology are
Two streams that flow together,
To Energize & Enhance each other!!

Both working on the same Line,
Both are the Amalgamation of Nature
Sublime,
Both deal with Order & Synthesis,
That forms the crux of
Universe Divine!!!
GALTER too is working on the same
Line,
It's GALTER's In-depth
Doctrine!!!!
