Message from the VICE-CHANCELLOR

National Law University and Judicial Academy (NLUJAA), Assam since its inception, has aspired to be a premier legal institution that is at the forefront of disseminating leading-edge legal knowledge and promoting legal research in the North-Eastern Region.

Mooting has become one of the most fascinating experiences for law students as part of their law school journey over the years. It allows students to hone their legal as well as professional skills, as moot court exercises act as a learning curve in terms of both written and oral advocacy skills of the students. Over the years NLUJAA has also been involved in the organisation of mooting activities for students all over the country and the Gurjeet Singh Memorial Moot Court Competition has been one of the major highlights since its inception in the year 2017.

The Competition has striven to act as a remembrance of the contribution made by its Founder, Vice-Chancellor Dr. Gurjeet Singh, whilst acting as a platform for young minds to explore the nuances of the legal world.

I wish all the success to the 4th Edition of the Gurjeet Singh Memorial National Moot Court Competition, and the University would like to take this opportunity to welcome you to another edition of the competition where we hope to build on the success of the previous editions with great participation and enthusiasm from students and carry forward the legacy of the competition.

Message from

Adv. Abhinav Mishra

I am delighted to learn that National Law University and Judicial Academy, Assam is all set to organise the 4th Gurjeet Singh Memorial National Moot Court Competition from 26th to 28th May.

That the moot proposition drafted for the Competition is well balanced qua the freedom of airing/broadcasting content vis-à-vis its impact upon the sensibilities of prudent viewers.

I hereby extend my appreciation to the organising committee for making efforts in providing law students across the country, an opportunity to hone their advocacy skills upon the interpretation of constitutional principles vis-à-vis telecom laws.

I am sure that the Competition shall indeed provide the students a platform to expand their knowledge base, beyond textbooks and classrooms.

I wish great success for the competition.

Regards

Abhinav Mishra, Advocate
Hon'ble Supreme Court of India

About Gurjeet Singh Memorial National Moot Court Competition

Prof. (Dr.) Gurjeet Singh served as the founder Vice- Chancellor of two National Law Universities namely Rajiv Gandhi National University of Law in his home state of Punjab and the National Law University and Judicial Academy of Assam.

The Gurjeet Singh Memorial National Moot Court Competition is organized by the National Law University and Judicial Academy of Assam, in memory of our beloved founder Late Prof.(Dr.) Gurjeet Singh who left for his heavenly abode on the 1st of April 2017, out of indebtedness for his contribution and to symbolically immortalize his legacy in the annals of the National Law University and Judicial Academy of Assam.

Glimpses of the past

Taking a stroll back to when it all started in 2017, the 1st edition is to date cherished with great honour and sweet memories. The edition started with a glowing note, which still lights up the ceremonial torch of the moot court competition. The proposition was based on the raging issue of demonetisation which shocked the Indian markets and brought about an unprecedented wave of uncertainty and lack of control in the economy of the country.

While the social and the economic ground received the centre stage, the legal issues were left in the cold. Hence, the committee crafted the case at hand to effectively focus on the legal complexities which surfaced during the implementation of the supposed “*make or break move*”. This not only made the moot proposition imperative in the context of the crisis, but also brought in a new angle that made it seem more interesting than usual.

The edition kicked off with noble participation from various universities. The competition was filled with nerve-wrenching episodes where the team fought fiercely to lay their hands on the enticing rewards. The distinguished panel of judges from across the country was aided by student adjudicators which was one of the highlights of the competition. The edition ended with a thrilling finale between the University Institute of Legal Studies, Panjab University and Amity Law School, (Amity University Noida) where the former emerged victorious and were declared winners of the 1st edition.

This paved the way for the committee to organize the 2nd edition of the competition in 2018. It was organized in collaboration with UNICEF, and keeping this in mind, the proposition this time dealt with the Convention on the Rights of Child alongside the Juvenile Justice(Care and Protection of Children) Act 2015. The competition saw a surge in the number of participants from the earlier edition. The nail-biting finale was yet again won by UILS Panjab University who got the better of Uttaranchal University. The edition ended on a promising note with the judges appreciating the participants for the quality of their legal minds and well-structured arguments while also applauding the efforts of the host University for conducting such a monumental competition.

The third edition while coping up in the post-pandemic phase was organised virtually. The moot proposition revolved around the nuances of the Constitution designed primarily to foster the basic understanding of the principles of rule of law amongst all aspiring law students. It had been clubbed with the much contended provisions of the Unlawful Activities (Prevention) Act, 1967 and the Prevention of Money Laundering Act, 2002 which have received the limelight in recent times.

Glimpses of the past editions
