MOOT PROBLEM

Problem Title: "The Family Business: Balancing Corporate Interests and Personal Obligations"

Facts:

Republic of "Arya", is a south Asian Country, in terms of landmass it is fifth largest Country in world. However it is most populous country in the world. A country which has various cultural and historical glories to its name and was often nicknamed as the "Land of Culture". People from various backgrounds lived in harmony and abided by the laws of the Arya. XYZ Inc. is a family-owned corporation that has been in operation for over 100 years. The corporation is owned and controlled by the Rantungam family, and the majority of the board of directors and senior management positions are held by family members. The CEO of the corporation, Rantungam, is the head of the family.

On 12th of September 2022, Rantungam was accused of embezzlement diversion of funds and fraud in connection with his role as the CEO of XYZ Inc. The charges were brought by the Securities and Exchange Board of Arya (SEBA). In 2019 Rantungam was also charged with insider trading in a separate criminal case brought by the SEBA and was held liable.

SEBA observed that interest of the stakeholders of the incorporation was affected to the tune of Rs. 500 crore and was lent to various related parties through unsecured loans and investments.

In exercise of power conferred under section 11 of the SEBA Act 1992, the investigation Authority seized books, registers, and all other documents & records, as it considers necessary for the purposes of the investigation. SEBA in the interim order directed freezing of bank accounts of the CEO and Directors. The interim order and Show cause Notice also called upon the CEO & Directors to show cause as to why they shall not jointly and severally disgorge the amount diversified by CEO.

SEBA, after hearing the parties, rejected the preliminary objection and directed jointly and severally liable Directors along with CEO wide order dated 21st of December 2022.

Being aggrieved by the SEBA's decision preferred an appeal to SAT but SAT upheld SEBA's order dated 21st of December 2022.

The CEO and Directors filed an appeal in Apex court of Arya. In addition, the Rantungam family entered into a contract in March 2020 with a major supplier for the delivery of goods and services to XYZ Inc. The contract contained a confidentiality clause and a non-compete clause. The supplier has alleged that Rantungam has breached the contract by disclosing confidential information to the Authority. The supplier had brought an appeal in Apex Court being aggrieved by the decision of The High Court and courts subordinate to it, upheld the decision in the lawsuit, in favour of Rantungam and the corporation for no breach of contract. The earlier appeal filed by CEO and Directors was tagged along with this appeal and is listed for final hearing before the Hon'ble Supreme Court of

Arya

ISSUES:

1. Does the SEBA have the authority to bring charges against Rantungam in connection with his role as the CEO of XYZ Inc. and it's Directors?
2. Can the Investigating Authority Seize the records of Rantungam and the corporation?
3. Does the family relationship between the board of directors and senior management of the corporation create a conflict of interest in regards to the SEBA investigation and criminal charges against them?
4. Can the family relationship between the board of directors and senior management of the corporation affect the validity of the SEBA investigation and criminal charges against them?
6. Has Rantungam in connection with his role as the CEO of XYZ Inc. and its Directors breached the contract with the supplier by disclosing confidential information?
7. Is the confidentiality clause and the non-compete clause enforceable against Rantungam and the corporation?
8. Can the supplier recover damages from Rantungam and the corporation for breach of contract?

Participants are expected to argue both for the prosecution and the defense and to analyze complex legal issues from multiple perspectives. The competition will require participants to demonstrate their legal research, writing, and oral advocacy skills, and to address the interplay between Company Law, Criminal Law, Contract Law, SEBI Act and Family Law.
