ABOUT THE COMPETITION: The National elocution competition is being organised by GALTER. The competition is being organised to provide a platform to students and researchers to showcase their ability to communicate effectively and persuasively. Elocution is the art of clear and expressive speech, which involves the proper use of tone, inflection, and intonation. In this competition, participants will be judged on their ability to convey a message or idea effectively through spoken words.

The primary objective of this competition is to encourage individuals to improve their communication skills and to express themselves confidently and persuasively. The competition aims to foster creativity, critical thinking, and the ability to articulate ideas clearly and succinctly.

Who can participate: The competition is open to all students pursuing graduation in any course, who have a passion for public speaking and wish to showcase their elocution skills. Students pursuing Bachelor's or Master's degree in any stream can participate in the elocution competition.

Language of the Competition: English

Mode of Competition: Online mode
