FORENSIC JUSTICE

September 16-17, 2023

ABOUT THE ORGANISERS

NATIONAL FORENSIC SCIENCES UNIVERSITY

The National Forensic Sciences University (erstwhile Gujarat Forensic Sciences University) is the world's first and only University dedicated to Forensic and allied Sciences. It was established with the objective to facilitate and promote studies and research and to achieve excellence in the field of forensic science in conjunction with applied behavioural science studies. Considering the role, importance and contribution of erstwhile GFSU, the GOI elevated GFSU as NFSU under the Ministry of Home Affairs and also accorded a special status of "An Institution of National Importance" with effect from October 1, 2020.

SCHOOL OF LAW, FORENSIC JUSTICE AND POLICY STUDIES

The School of Law, Forensic Justice and Policy Studies was established with the aim of imparting professional education with a special focus on forensic application in all allied areas of law and policy framework. The School aspires to be the leading provider of forensic justice understanding to all professionals from different areas of governance including justice administration. The school offers the multifaceted needs of the legal community. These include B.Sc.; LL.B.(Hons.), PG Diploma in Cyber Law, LL.B. (Hons.), LL. M. (Criminal Law and Criminal Justice Administration), and LL. M. (Cyber Law and Cyber Crime Investigation). These offerings symbolize our dedication to enriching the field with intellectually stimulating and practically applicable solutions.

INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH

The ICSSR was established in the year of 1969 by the Government of India to promote research in social sciences in the country. ICSSR provide grants for projects, fellowships, international collaboration, capacity building, survey, publications etc. to promote research in social sciences in India. Currently, ICSSR supports a network of 29 research institutes, of which 24 are directly funded by ICSSR and 5 are recognized by ICSSR.

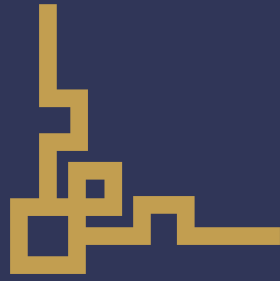

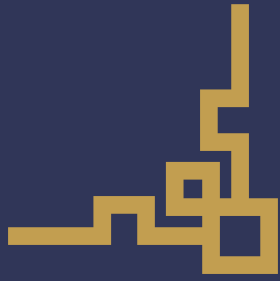

ABOUT THE CONFERENCE

The 2nd International Conference on Forensic Justice is a significant event that brings together experts, practitioners, researchers, and policymakers from various fields related to criminal justice and forensic science. This conference serves as a platform to discuss and exchange ideas, innovations, and best practices concerning the intersection of law, forensic science, and the pursuit of justice. The primary objective of the Conference on Forensic Justice is to explore and promote the crucial role of forensic science in criminal investigations, legal proceedings, and the overall administration of justice. It aims to bridge the gap between scientific advancements and their application in the criminal justice system, ensuring that forensic evidence is used accurately, effectively, and ethically. The Conference on Forensic Justice plays a crucial role in promoting the effective and ethical use of forensic science in the criminal justice system. By fostering dialogue and collaboration among stakeholders, it contributes to the advancement of forensic justice and ultimately, the pursuit of truth and fairness in the administration of justice.
